1. Service description

1.1. As part of the service, the client can:

- ✓ watch a wide range of TV channels, movies, TV series and other TV content;
- ✓ choose the package that suits them best to watch Telia TV, which includes not only TV channels but also viewing slots and additional services, including third-party apps;
- ✓ watch Telia TV with a set-top box on TV or by using the app or a web browser, on PC or a smart device;
- ✓ subscribe to and use additional Telia TV services;
- ✓ watch the programmes that have already aired with the catch-up service.

2. Terms of use of the service

2.1. To use the service in the app or on the web, you are required to authenticate yourself using Mobile-ID, Smart-ID, ID card, or bank link.

2.2. To watch Telia TV, you need an Internet connection with the appropriate speed and the necessary devices (such as a router, set-top box, etc.). It is your responsibility to ensure that you have the necessary devices and a proper Internet connection to watch Telia TV.

2.3. Using a Telia TV set-top box based on Android TV requires you to agree to Google's Terms of Use and Privacy Policy.

2.4. Telia will make updates to the apps required to use the service as necessary. It is the responsibility of the client to ensure that they have the necessary devices to use the service, a proper Internet connection, and that they have downloaded the necessary updates. Telia will notify you of important service updates via the app.

2.5. You can find more information about what is needed for Telia TV on [the Telia website](#). If the pre-conditions are not met, it may be difficult or even impossible to watch Telia TV (e.g. due to poor picture quality).

2.6. The list of TV channels and other content is available at Telia's website and/or in the TV environment.

2.7. The selection of TV channels and other TV content may vary depending on the Internet connection or device being used. There may also be other differences due to technical limitations. See more information on this on the [Telia website](#).

2.8. As part of the service, Telia may offer the possibility to use services provided by third parties in the respective online environment or a third party app. In this case, the user must accept the third party's terms of service in order to use the service. Specific requirements may apply to certain additional services. In this case, they will be referred to in the conditions of service of the additional service.

2.9. Personal data is processed within the service in accordance with the Telia Eesti AS Privacy Notice and the Telia TV Privacy Notice.

3. Catch-up terms and conditions

3.1. With catch-up service, you can catch up on all the programmes on all the channels that allow it. You can play back the content for 14 days from the date of broadcast, after which time the content will be automatically deleted.

3.2. You can only catch-up programmes and other TV content in the Telia TV environment and

for your personal use.

3.3. Telia does not guarantee the preservation of programmes and other TV content. After 14 days, the content will be deleted. Telia has no technical ability or obligation to recover it and it is not considered a breach of contract by Telia.

3.4. In exceptional cases, the broadcaster may restrict the availability of some programmes and such programmes will not be available for catch-up. This is not considered a breach of contract by Telia.

4. Terms and conditions for modification and termination of the service

4.1. You can start using the service and additional services as soon as you subscribe to or activate them.

4.2. You have the right to cancel the service contract at any time, but the service will remain open until the end of the calendar month.

4.3. If you change the service to a higher priced package, the change will take effect immediately and pricing will be calculated proportionally based on the number of days it is used. If the new package includes an additional service previously subscribed to, the subscription to the previous additional service will end when the new package comes into force.

4.4. If you change the service to a lower-priced package, the change will take effect at the beginning of next month. You can cancel the change before the turn of the month when the new package comes into force.

4.5. The terms and conditions for terminating and modifying third-party apps are described in separate documents.

5. Special conditions

5.1. Only private clients can subscribe to and use the Telia TV service. The use of or enabling the use of Telia TV in connection with economic or professional activities is not allowed.

5.2. The play slots of Telia TV or its additional services are only allowed to be shared with family members living at the same address and in accordance with the reasonable use principles established by Telia.

5.3. It is forbidden to abuse the sharing of play slots of Telia TV and its additional services (i.e. using them contrary to the previous clause), to save, share, download, and modify the data streams, and to use the streaming player outside the environments of Telia TV.

5.4. Failure to comply with these prohibitions constitutes a material breach of the contractual conditions, in which case Telia has the right to cancel the Telia TV contract by notifying you in accordance with the general terms and conditions.

5.5. Continued availability of TV and additional service content (including third party apps) and the possibility to catch-up is not guaranteed, and the choice and range of service content changes and evolves on an ongoing basis. This is not considered a change to the contract and Telia does not need to give prior notice, except for changes to the choice of TV channels, which will be notified one month in advance, if possible.

5.6. Telia does not have to provide advance notification of changes to the TV environment.

5.7. Telia is not liable for the non-availability of Telia TV for reasons beyond Telia's control, including if you do not meet the prerequisites for Internet access and equipment required to view Telia TV, or if the service does not work because you have failed to upgrade your service or equipment in a timely manner.

5.8. Telia TV is an online service and during its use, you also consume the Internet connection speed and/or data. Read more at: [Terms for using Internet services of Telia Eesti AS](#).

5.9. Telia is not responsible for the conformity of TV programmes, third-party content and other TV content or programmes with the programme schedule or published advertisements, nor for any modification of content or interruption of transmission caused by a third party (e.g. a

broadcaster, producer, etc.).

5.10. In certain cases, individual programmes may not be allowed by the content provider to be broadcast on Telia TV. In this case, Telia will restrict the transmission and viewing of these programmes and provide appropriate notifications on the TV screen.

5.11. More information about the codes of conduct followed by Telia can be found on the Telia website.

6. Service fee

6.1. You are obligated to pay a monthly fee for the use of Telia TV.

6.2. You will be required to pay an additional monthly fee for additional paid services (e.g. catch-up, Theme Packs, Third Party Apps, etc.).

6.3. For an additional fee, you can subscribe to one-off additional services (e.g. video rental films, etc.), which will be added to your bill according to the orders you have made.

6.4. All Telia TV fees can be found in the price list, on the Telia website, and/or in the Telia TV environment.

6.5. The calculation of fees begins from the moment you activate Telia TV or its additional service. You are obligated to pay for the services in accordance with the invoice submitted by Telia and by the due date indicated in the invoice. For third-party apps, billing starts from the moment of subscription and to start using it, the account must be linked according to the instructions.
