***European Union countries and other countries where the roaming regulation applies:** Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Finland, France, French Guiana, Germany, Greece, Guadeloupe, Holland, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Martinique, Mayotte, Norway, Poland, Portugal, Reunion, Romania, Saint Martin, San Marino, Slovakia, Slovenia, Spain, Sweden, the Vatican City, except for satellite communications networks in the territory of those countries.

**** Estonia, Latvia, Lithuania, Finland, Sweden, Norway, and Denmark**

- The voice minutes included in the plan do not include calls to special rate numbers and special rate networks, such as Telefant AS, World Mobile OÜ, Top Connect OÜ mobile network and Global Mobile Eesti OÜ mobile network.
- The SMSs of the plan do not include messages sent to 1711 and other premium rate numbers.
- Unused data made available for a monthly fee cannot be transferred to the next month.
- Incoming calls are free of charge when roaming in Estonia and other EU countries.
- Upon exceeding the limits established with the principles for the reasonable use of the roaming services (calls, SMSs, Internet), the additional roaming fee is applied. The principles for the reasonable use of the roaming services and roaming fees can be found on the Telia website.
- The use of roaming services other than those provided in the terms and conditions of the plan is subject to the applicable roaming and/or price list fees and conditions set out on the Telia website.
- Maximum speeds on the Telia mobile network allow you to use speeds of up to 1.2 Gbps down and 150 Mbps up with a 4G device, and up to 42.2 Mbps down and 5.7 Mbps up with a 3G device.
- Mobile Internet data units: 1 MB = 1,024 kB; 1 GB = 1,048,576 kB.
- Data included in the plan and additional data can be used in Estonia and other EU countries. For the purposes of the principles for the reasonable use of the roaming services, data can be used within the EU up to the prescribed limit.
- The amount of data included in the monthly fee for an Internet plan is not cumulative in the event of a plan switch. When switching from a smaller Internet plan to a larger one, the data

used during the whole of that month (billing period) in accordance with the terms and conditions of the plan will be included in the data of the new Internet plan selected.

- The change in data in the current month applies immediately.
- The monthly fee is calculated on a daily basis at the time of subscription, switching, and termination.
- Unused data made available for a monthly fee cannot be transferred to the next month.
- Upon exceeding the limits established with the principles for the reasonable use of the roaming services (Internet), the additional roaming fee is applied. The principles for the reasonable use of the roaming services and roaming fees can be found on the website.
- The use of roaming services other than those provided in the terms and conditions of the plan will be subject to the applicable roaming and/or price list fees and conditions set out on the website.
